2024 OCMA State Pool Championships Schedule*

View brackets on the <u>CompuSport</u> App. For 2024 we will once again use the online scoring feature on CompuSport. It's important to install the app on your smartphone. Assistance will be available at the tournament. Be sure to refresh the app often to update the brackets. If you do not refresh, the bracket never advances on your phone and your team will miss its match. Viewing brackets on phones will also help relieve congestion at the viewing monitors. Thanks.

Due to congestion in the Main Room, ONLY Rostered Players on teams competing in current matches are permitted in the table area. Non-rostered players MUST be off the Tournament Floor and in the Stands.

<u>**Thursday, April 25, 2024**</u> - (Singles Tournament. Note: some matches may have to be played on the weekend, due to time constraints on Thursday evening.) Deadline for changes to the Singles Tournament is 4pm Wednesday.
