## **Rules and Procedures**

### **Statistics and Standings**

Players will use Compusport for weekly standings and handicaps each week. Standings and statistics will also be emailed to each player every week following the night of play. Be patient with officers in getting this information out and help each other out please. This will save the league weekly copying fees and that puts more money into the prize fund.

### **Start Time**

Start time is 7:00 p.m. with a 15-minute grace period.

### **Weekly Cost**

\$8.00 per player plus table quarters (\$1.00 per player per week will be put into a prize fund for an end-of-the-year tournament to be handled by league officers). Quarters will be split between the players for tables. \$.75 of the \$7.00 fee each week goes to NWOPOOL for the regional tournaments in Napoleon early next year. \$.50 of the fee each week is for the league Secretary/Treasurer (Nick Reza).

### **Roster**

Each team can have up to an **9**-player roster. Once the roster is full, you must get one half of the captains' approval 24 hours in advance of the first match for the new player(s). No new players can be added during the last 4 weeks of the league. If a player leaves a team, he/she cannot play the rest of the season with any other team.

### **Handicaps**

**Unlimited handicap. Add total averages on each (home and away) and subtract.**

### **Match Format**

15 game round-robin. Players must be lined up lowest to highest average. When adding a new player, the new player is placed in the third position. If adding two new players one will play in the 2nd position and the other in the 4th position. If adding three new players the new players will play in the 1st, 3rd and 5th positions.

**No New players the last 4 weeks of play.**

## **Sanction Fees**

\$15.00 per player for Valley plus \$2.00 for Indiana all due the first night of play. Subs must pay the first night they play. If sanction fees are not paid, that player will be deemed an illegal player and their games will not count. After Nov. 30, Valley sanction fees will be \$17.00 and after December 31st the Valley sanction fee will be \$25.00. Each player will now be sanctioned for Ohio and Indiana.

## **CompuSport Software Fee**

**\$4.00 per player** due the first night of play. This is a 1-time fee that applies to all players in the league. (This includes the \$1.00 scoring fee, which is a per league fee.)

## **Scoresheet/Money Turn-In Box**

At the end of each match the scoresheet and money need to be placed in an envelope and dropped into the lock box located on the North Wall of Chalky's Pool Hall. No coins should be in your envelope. If the envelope is not turned in to the drop box on the evening of the match, one winning round point will be deducted from the team totals. Only the white (home team) score sheet has to be turned in. When both Captains sign the scoresheet, they are asserting the sheet is complete and correct.

Note: Please take time with the scoresheet to make sure the math is complete and correct. Take time to properly note any awards such as ERO's, 8 on the Break, Table Runs, etc. are included and correct.

## **Playing a Player Short**

If a team is short a player, the opposing captain can pick a player to "sub" for the missing player. Scoring will be calculated for the player that is "subbing" for the missing player. This rule eliminates forfeits and makes calculations much easier to accomplish.

**ONLY 1 PLAYER MAY BE SUBSTITUTED. ANY ADDITIONAL MISSING PLAYERS WILL HAVE TO TAKE "0s" AS THEIR SCORES.**

## **Awards**

- **30-0 Award** is a \$30.00 prize for three perfect games. Any and all players who accomplish this feat will be awarded the \$30.00.
  - This is also recognized as an award nationally! Anyone who achieves a 30-0 will receive an award at nationals in Las Vegas. If the player is not

going to the national tournament in Las Vegas, Char Beck will retrieve the award and bring it back to Ohio to be distributed through a league officer. We will need to supply her with the scoresheet that records the 30-0 match.

- **MVP Award** is a \$30.00 prize for the player with the most wins OR most balls made over the course of the season. If those two accomplishments do not fall on the SAME PLAYER, the two players (the one who won most games, and the one who made the most balls) will have a playoff match where they race to 3 games.

### Rules

All matches will be played according to VNEA rules. Several common problem rules include, but are not limited to:

- If a player scratches on the 8-ball and the 8-ball remains on the table, it is not a loss, but is a ball-in-hand foul 8-on-the-break is not a win or a loss.
- 8-on-the-break is the "breaker's choice" of spotting the 8-Ball and accepting the balls where they are or re-rack all the balls and break again.
- If a player scratches and makes the 8-on-the-break, the opponent has the choice to spot the 8-ball and accepting the balls where they are or re-rack all the balls and breaking the balls him/herself.
- If a player has a question about a rule during the game, he/she must ask the opposing player or captain with his/her captain present.

### Bad Weather Notifications

In the event of bad weather, the President, Vice President, Secretary and/or Treasurer will notify each captain. Captains need to be vigilant in responding to messages/texts from the Officers. Please respond to texts with an affirmative that you have received the message. This is critical to our communication!!! **If league is called off for weather then it will be a no pay-no play week. Schedule will not be pushed out.**

### Officer Responsibilities'

- The President is the official member of the board for the Northwest Ohio Pool Players Association. He/she represents the Flag City Pool League and all of its players to the association. He/she is expected to attend all Association meetings which are held at the American Legion in Napoleon, OH. They are usually on Sunday afternoons.

- The President, or whoever is the officer that represents us at that meeting, should come back and pass the information from the Association on to the Secretary so that the Secretary can pass it on to the Captains of all of our league teams. The Captains will pass the info on to all of the league players.
- The President, or whoever is the officer that represents us at that meeting, will take any of our league concerns to the association. He/she will always act or vote in the best interest of all of the league players.
- If the President cannot attend, then he/she is expected to notify the Vice President and/or Secretary/Treasurer and have one of them be the representative for our league at that meeting.
- All of the officers are expected/required to assist in the planning, organization and/or running of the regional and invitational tournaments.
